Know More

OUR PRODUCTS

Being a client-centric organization, we are engaged in manufacturing and supplying a commendable gamut of Sliding Roller Wheel and Sliding Window Locks. All our products are manufactured in our in-housed facilities with premier-grade components and required raw material. We tested these products on different quality parameters so as to ensure their suitability for industrial as well as commercial applications. Offered products are appreciated by the patrons for their excellent design, perfect fitting, prolonged service life and quality in accordance with the international standards. Our range is detailed as follows:
