TESTIMONIALS

Positive Client Feedback

excellent and genuine people, i got the right jewellery i was looking for. I wanted a locket to be made specially, and they did it excellent job, the final locket was even better than i imagined, I will definitely recommend them to all. Also a special mention about their sales person Mr. Akash Sonar, he took perfect measurements of the locket and also chose the right design for it.

Nelson Dsouza
Customer

Have been visiting the shop since quite a long time.... Have been most of the time attended bt Mr Vicky. He is quite a calm and composed salesperson who will b never tired to show you different options and designs. He is quite a friendly in nature and help you out. He is the person who will happily and joyfully assist you and see that you leave the shop with a happy face....
